

## Iona College Geelong Uniform Policy

The Iona College Geelong uniform and associated policies are designed to promote a safe social environment, enhance learning opportunities, and promote physical movement. Our contemporary approach to uniform allows students to choose which uniform they will wear on any given day, except for formal occasions as set by the College. This document provides clarity outlines our uniform expectations and provides our community with clarity regarding these expectations.

We do not refer to the uniform as 'summer' or 'winter', rather students can select the uniform from a suite of uniform choice. We refer to these as the 'formal' uniform and the 'sport' uniform.

All students need to maintain a set of 'formal' uniform and a set of 'sport' uniform. Whilst students will be free to choose whether they wear the formal or sport uniform on any given day, there will be times when students are required to dress in either formal or sport as the compulsory dress for the day. An example of this would be at our opening College Mass we would require all students to be in the 'formal' uniform; alternatively, when a student has a scheduled Physical Education class they will be required to wear the 'sport' uniform.

### 'Formal' Uniform Policy Overview

- All students are required to maintain a set of 'formal' uniform.
- All students are required to have a college blazer.
- Students are not required to but are advised to purchase a college wool blend jumper for warmth. The jumper is an optional part of the 'formal uniform'.
- There will be no requirement to wear the blazer to and from school.
- Students may wear the 'puffa' jacket over the formal uniform.
- Families are advised that the short-sleeved shirt should be worn with the shorts and the long-sleeved shirt with the trousers.
- When attending formal school occasions, the blazer is required to be worn as the outer garment.
- Please note that the tie should be worn with the long sleeved/long pants combination.
- The tie is compulsory with the 'formal' long sleeved shirt/blouse/long pants/skirt combination. The tie is a compulsory item on designated formal days with either the long sleeve or short sleeve combination.
- Students who choose to wear the formal uniform on a none non-designated formal day are permitted not to wear the tie with the short sleeve shirt only.
- Students may wear the summer dress or short-sleeved blouse/shorts combination, or they can wear the long-sleeved shirt with the tailored pant or knee pleat skirt.
- School uniform socks must be worn (as appropriate to formal uniform) - students must wear the College grey socks with the 'formal' uniform

- Students are not permitted to 'mix and match' formal and sports uniforms.
- It is an expectation that all students will wear the formal College uniform correctly

As such, students are permitted to have neat facial hair that is well-groomed and does not present a distraction or disruption to the learning environment. Students are required to adhere to the following criteria:

- Students are required to keep their facial hair well-groomed. This includes regular trimming and maintaining a clean appearance.
- Facial hair must not be overly long or unruly.
- Facial hair should not be a distraction in the classroom. This means that extreme styles or unconventional grooming are prohibited.
- Students with facial hair must maintain good hygiene practices to prevent any issues related to cleanliness.

All decisions pertaining to the appropriateness of facial hair rests with the College Principal.
