Iona College Geelong is a Catholic Co-educational College located in Charlemont (a 15-minute drive from the Geelong CBD), part of the rapidly developing Armstrong Creek growth area located between Geelong and the Surf Coast.

After many years in the planning, Iona College Geelong officially opened its doors for the first time for students at the start of the 2020 school year. 150 Year 7 students formed the Foundation year for the College coming from many different regions within and beyond Geelong, the Surf Coast and Bellarine.

After a period of rapid growth, the College currently has a student population of 1073 in Years 7 to 11. Iona College is the fifth and newest Catholic Secondary School in the Geelong region and the second Catholic Co-educational option for parents seeking a Catholic Education for their daughters, sons and young people.

The College has renewed its original Master Plan to cater for an expected secondary school cohort of 1330 students. Our Master Plan has been developed to ensure that the student community of Iona College have state-of-the-art facilities befitting educational needs for the present and the future. 65 million dollars is being invested in capital works over the next six years. The 'Columba Centre' is a three storey multi-disciplinary learning centre that has an imposing outlook to the City of Geelong and the You-Yangs in the North and the Surf Coast in the South. In addition to the Columba Centre, a comprehensive landscaping program has taken place with a focus on native vegetation and ensuring that students have many and varied play spaces.

The College has completed three of four stages of its master plan providing our students with modern state-of-the-art facilities appropriate for a 21st-century education. Our dynamic learning spaces incorporate specialised equipment for science, visual and digital art, technology (wood, metal, plastics and electronics), STEM, digital technology, media and performing arts. The MCG-size AFL oval, College Stadium, Music and Food Technology Centre are just a few of the many facilities available to foster a well-rounded educational experience.

In 2023, we opened our newly built Student Services, Library, Learning, and Administration Centre, providing essential support for our growing College community.

The construction of 14 additional classrooms, along with the expansion of our gymnasium, food technology facilities, and canteen, is now complete in preparation for the 2025 school year. Planning is currently underway for the next stage of our building process—the development of a new Library, Student Services and Administration Centre. This project will enable the relocation of Music and Performing Arts to the current temporary College Administration and Student Services building, ensuring we continue to meet the needs of our expanding College.

As a Catholic School, Iona is committed to the service of those who are marginalised in our society. 'Service of Others' will form a key part of the Catholic Identity that Iona will craft over the next few years. We intend to reinforce with our students the need to use the education that they are privileged to receive, to enact the College motto 'Learning to Change the World'.

Iona College Geelong creates a culturally safe environment by encouraging and supporting First Nations students to express and enjoy their culture. We acknowledge and appreciate the strengths of Aboriginal culture and its importance to the wellbeing and cultural safety of First Nations students.

The current Governance structure of the College lies with the Melbourne Archdiocese Catholic Schools (MACS).
